

Year 4 Weekly Overview

Week beginning 12th October 2026

<u>English topic</u>	Write a persuasive letter based on their plan from last week. Persuasive devices: rhetorical questions, hyperboles, emotional language.																																																																		
<u>Maths topic</u>	Add and subtract numbers with up to four digits using the formal written methods of columnar addition and subtraction where appropriate. Solve addition and subtraction two step problems in contexts, deciding which operations and methods to use and why.																																																																		
<u>Science</u>	Electricity: Safety when using electricity.																																																																		
<u>Geography</u>	How time zones affect our connected world.																																																																		
<u>P.E.</u>	Invaders (outdoors): Football continued Gym sequences (indoors): Gymnastic sequences.																																																																		
<u>PSHE</u>	Different ways to manage worries. Strategies that can help someone manage their responses.																																																																		
<u>Computing</u>	Keeping safe online.																																																																		
<u>DT</u>	Continue making handheld fan.																																																																		
<u>Music</u>	Toot lesson 4
